# Catholic Times

## What do you expect to find in a Catholic Newspaper?

## CATHOLIC NEWS, OBVIOUSLY, BUT WHAT IS CATHOLIC NEWS?

IT is in the selection of news which it puts before its readers that THE CATHOLIC TIMES pleases so much. The proper place for matters which are exclusively secular is the secular press, but there are many topics which have a mixed secular and religious bearing. You will expect to find the religious aspects of these things treated in your Catholic newspaper, as well as a full budget of Catholic news.

THE CATHOLIC TIMES, the oldest Catholic popular newspaper, knows how to become a newspaper for Catholics when the occasion demands it. It meets all your needs *always*. Special needs are given more space than in any other Catholic newspaper.

ARRANGEMENTS have been made for a regular series of articles by all the best known Catholic writers to appear during 1936.

**Every Friday 2d. Of all Newsagents**
